3. President’s Report
   
a. Accolades. Appreciate Chapters Chair Pfaff and Vice President Wilson for the focused progress regarding the Phase 1 Bylaws amendments. Appreciation to Secretary Zinza for working on the conference finances. Much appreciation to Conference Chair Hall and her committee for the hard work raising interest in conference attendance.

   b. Approve a copy of the contract for the parliamentarian for ASLTA conference. **TABLED UNTIL 12/16/18.**

**ACTION ITEM:** Secretary Zinza to revise the proposed contract to reflect desired pre- and post-Business meeting debriefings with the Parliamentarian. Will send to Board for approval.

   c. ASLTA website should identify Secretary Zinza as the Acting Treasurer, to alleviate concerns that the Treasurer’s responsibilities are not being fulfilled.

**ACTION ITEM:** Secretary Zinza to update the Board graphic.

   d. Update with Dan Kehr, Attorney. President Smith-Warshaw and Secretary Zinza met with Dan Kehr on 11/30/18. Vice President Wilson planned to attend but couldn’t due to an urgent family issue. Kehr responded to the questions the Board sent to him last week.

**Points to Consider:**
- Kehr suggests a settlement, which is much less expensive than going to court.
- ASLTA’s position is very strong, since the issue is ASLTA’s dissatisfaction with Heart Cruises’ performance.
- The three violation complaints by Heart Cruises are shaky. The first complaint - breach of contract - will likely fail. The second complaint - quantum meruit - has some grounds, since Heart Cruises did do some work on ASLTA’s behalf. The third complaint - bad faith - will likely fail.
- There is no clear rationale for Heart Cruises’ demand of $13,000.00 for services rendered. Kehr will contact the plaintiff’s attorney to request a breakdown of exactly what services were provided.
- It is possible opposing counsel will prefer not to settle. To prepare for this, ASLTA must secure the services of a litigation attorney. Kehr will recommend three
individuals who can serve in this capacity. If the settlement proceeds, then there
will be no need for litigation attorney services.

e. Evaluation Chair and ASLHS Coordinator's Plans for 2019 Conference. Would like to
see both programs develop a comprehensive plan for conference visibility and
participation.

**ACTION ITEM:** Assign ASLHS Chair Sharkey and Evaluation Chair Rowley to develop plans for
how each program will be represented and visible at the upcoming conference.

f. Assign Professional Development Chair Flores as the contact person for the 2023
ASLTA conference. Reach out to various ASLTA chapters to gauge interest in hosting
the 2023 conference. Bids will need to be made at the 2019 conference.

**ACTION ITEM:** Contact FASLTA to see continue the dialogue with hosting a conference in
Florida. Also, contact Tim Riker of the proposed New England ASLTA chapter for possible
interest.

4. Vice President's Report

a. Bylaws committee update 1: Leadership transition. The role of chair of the Bylaws
committee will transition to Vice President Wilson after Phase 2 of the proposed Bylaws
amendments is completed.

b. Bylaws committee update 2: Phase 1 proposed Bylaws amendments. Members will be
asked to vote on the following amendments:
   1. Nepotism policy to prevent conflict of interest between individuals in a familial /
      domestic / business relationship from serving the ASLTA Board simultaneously.
      Board feels that the policy should apply not only to the Board but to all
      committees as well.

**ACTION ITEM:** Vice President Wilson and Chapters Chair Pfaff to bring the Board’s proposal to
have the nepotism policy apply to the Board and committees to the Bylaws committee.

1a. Board suggests that the Bylaws committee separate the nepotism policy into two
different provisions: Nepotism and Business conflicts. The concern is that “business
relationships” needs to be clearly defined to avoid confusion or misunderstanding.
Would like to see this clarification placed in a new Section 4. Suggestion: The
Bylaws committee ask members to vote on the nepotism policy in Phase 1, and then
place the revised business relationship wording in Phase 2 or 3.

**ACTION ITEM:** Vice President Wilson and Chapters Chair Pfaff to bring the Board’s proposal to
have a separate paragraph fully describing a business relationship to the Bylaws committee for
remediation.
2. Revised membership categories and benefits. The additions of membership categories for Paraprofessionals, Retired. Concerns are that by introducing a new membership category for $60.00 will cannibalize the Associate level, since many people may see this as a way to save $20.00.

Discussion Points:
- Rather than adding separate membership categories, what about the following:
  Certified (for certified individuals)
  Associate (for full-time instructors, adjuncts, paraprofessionals, and other ASL-field professionals)
  Supporting (for students and other individuals who support ASLTA’s work)
- Concern: The proposed Retired category does not address the unique needs of those who retire and have ASLTA certification. This is an urgent need.

**ACTION ITEM:** President Smith-Warshaw to call a special meeting and invite the Bylaws committee to meet with the Board to discuss in more depth the proposed membership categories. Proposed meeting set for Thursday, 12/6/18, at 8:30 pm EST. It is critical that we meet quickly in order to send out the proposal to members in December.

3. Nominations timeline Bylaws amendment. The proposal does not allow for nominations from the conference floor, due to the need for the Nominations committee to vet all candidates for eligibility.

Discussion Points:
- If no nominations are received during the nominations window, then the President can make an announcement at the first business meeting that no nominations were made; thus, nominations will be allowed from the floor. (This procedure might make the proposed process moot, so isn’t strongly endorsed.)
- If no nominations are made during the period, then ask members at the conference to apply, and the President will appoint from that applicant pool, with approval by the Board.
- Desired solution: Executive officers (President, Vice President, Secretary, and Treasurer) must be nominated during the window. Other officers can be nominated from the floor during the conference.

**ACTION ITEM:** Vice President Wilson and Chapters Chair Pfaff to bring the Board’s proposal to allow some Board positions to be nominated from the conference floor to the Bylaws committee for consideration.
5. Secretary’s Report

   **ACTION ITEM:** Secretary Zinza to make a video honoring the ASL Can-Do Statements committee members. Communications Director Martin to distribute this to members via e-blast.

   b. Policy clarification: Online / e-vote procedures (example: CED letter). Prior to posting an online / e-vote, please obtain a motion number from the Secretary. This will help keep motions organized.

   c. ASL Can-Do Statements request. The committee would like to use part of its designated budget for hotel costs at the NPDC. This budget was provided by ACTFL to ASLTA, so there is no net loss of revenue.

   **MOTION 2018-122:** I, James Wilson, move that ASLTA permit the ASL Can-Do Statements committee to use their designated budget for conference expenses as needed.
   **Seconded:** Beatrice Pfaff
   **Vote:** Passed

6. Treasurer’s Report (reported by Secretary Zinza)
   a. CPA / Mark Apodaca update. **TABLED UNTIL 12/16/18.**

   b. Donor recognition (required by law). See [https://aslta.org/donations-test-page/](https://aslta.org/donations-test-page/) **TABLED UNTIL 12/16/18.**

   c. Financial support for next NPDC Chair. What is ASLTA’s policy regarding future conference chairs to attend the current NPDC? There is no clear policy. This was never done until after the 2017 conference when a portion of Kristine Hall’s hotel expenses was reimbursed by ASLTA.

   **ACTION ITEM:** Vice President Wilson and Secretary Zinza to draft a policy regarding conference chairs. ASLTA will not pay for future conference chairs to attend the current conference. This is expected to be an expense carried by the future host chapter. If the future conference does well, then reimbursement from the conference account may be made.
