PRESIDENT’S REPORT

Boca Raton, FL

The past four months (April – July) has been a whirlwind of changes for us due to Larry Forestal’s passing. According to the ASLTA bylaws, I became President again to finish out his term until 2013. A great deal of work went into the Seattle conference which was very successful with over 400 attendees under the very capable management of Barbara Hayes who carried on through the difficult months leading up to the conference. The conference workshop information is still up there for those of you who want to look at the Power Points.

We have two new officers, Brian Kilpatrick as Vice – President, and Cathi Bouton as Treasurer for 2011 – 2015. They are already proving themselves as valuable members of the Board, getting right to work on the things that need to be done. The 2011 revised bylaws was passed and posted on our web site. We made use of new electronic technology (i.e. SurveyMonkey) which got a much better response rates than before. We continue to improve our web site, keep checking there at www.aslta.org.

We are writing job descriptions for the Board positions to be appointed – Professional Development Chair, Chapter Chair, Evaluation Chair, Member-at-Large and they will be announced soon. We hope more people will be interested in applying for these positions with a clearer understanding of the roles, in addition to those who have already expressed an interest. We also have many committees that need to be filled or be more active. We especially need people who teach ASL as a first language to be involved. Each committee has a chairperson and at least two or more members. See the committee list elsewhere in this newsletter.

The committees for the IRS 501c3 application and the ASL National Standards have pretty much wrapped up their work and now we are awaiting the final reviews and approvals. Hopefully there will be good news soon! Watch for it on our web site!

The ASL Honor Society continues to be a successful growing program with many chapters all over the nation. While we have some chapters in colleges and universities and in schools for the deaf and large programs for the deaf, we would like to see a growth in those places. Go to www.aslhonorsociety.org for more information. There are many benefits for the ASL teachers and students!

We are looking at more ways to cooperate with other organizations in achieving our goals such as NAD, CIT, RID, ACTFL, JNCL and others. We are also developing a strategic plan so that we can better focus our efforts which
you will be able to comment on when it is ready to share.

Finally, the ASLTA Board repeatedly made a promise at the conference that we will focus on the chapters to help them become stronger, more active, get reactivated, or start new chapters. One of the ways was the announcement of two funds to support them. The Thomas Riggs Chapter Fund for chapter assistance and the “LF2” Larry Fleischer and Larry Forestal Leadership Fund for leadership training were established with donated monies from a bequeath and from the members. Guidelines are being written in how the funds will be used once we have reached a certain level of funding.

By now many of you will be getting ready to go back to teaching ASL as a first or second language and Deaf Studies. Hopefully you have new information and materials from the conference, web sites, listservs, publishers, and other resources to fire you up for the school year. Go forth and teach with a Deaf Heart!

I am your new VP. The ASLTA Conference was a rewarding experience for all the participants involved. Meeting with the ASLTA experts, being able to share and exchange the workshop information that will be brought back to everyone’s home state, will be a huge benefit.

I am honored to have the opportunity to serve on the Board as Treasurer for the next four years. My goals will be to work with the committee to finalize our 501(c)3 paperwork; to ensure we have accurate and timely financial reports to guide us with our decisions for our fu-
ture; and to be responsive to the membership.
ASLTA is a member run organization and it takes all of us to be involved in order to be productive. There are a number of active committees that need more participation. Please contact me at treasurer@aslta.org or any of the members of the Board to get involved on a committee or if you have any questions, concerns or comments about your organization.

ASLTA conference in Seattle was fabulous with nearly 400 attendees. I was very impressed with the Seattle committee’s commitment, coordination and cohesiveness (3 Cs).

The 12 ASLTA Professional interviews were successfully conducted at the conference in Seattle. Next interviews will be conducted at the next ASLTA conference in Charlotte, North Carolina in summer 2013.

If there is a group of at least 10 interviewees ready to take the interviews between now and the summer 2013, we would work and arrange with the group.

The ASLTA Evaluation System Revision committee consisted of Dr. Bill Newell, Dr. Rachel Stone, Glenna Ashton, Leslie Greer, Amy Rowley and myself held the two meetings in afternoons on June 29th and 30th. The group discussed and reviewed the procedures, questions and issues. The discussions were one of most productive ones I have experienced. The committee will continue working together and make recommendations to the Evaluation Team and Board for their review and input in 2012.

Have a good fall semester shortly.

“…in the end, it’s not the years in
your life that count, it’s the life in
your years.” -- Abraham Lincoln

Dr. Lawrence (Larry) Harold Forestal,
71, passed away on May 11, 2011 after
a sudden illness. He was born and

ing served as President of the National
Association of the Deaf, President and
board member of the American Sign

dent of the Illinois Association of the
Deaf, as well as leading and serving on
numerous professional and civic com-
mittees. In recognition of his leadership
contributions, he received the Knights of
Flying Fingers award from the National
Association of the Deaf.

Dr. Forestal had a long and distin-
guished career as an educator and ad-
ministrator. Most recently, he was Lec-
turer/Coordinator of the American Sign

San Diego State University in California.
Prior to that, he was a professor of

Wisconsin, Arizona State University,
University of Utah, Frederick Community
College, Suffolk Community College and
State University of New York. He also

Larry received his BA from Gallaudet
University in History, MA from Gallaudet

He is survived by his beloved wife, Ge-
eraldine Francini; his children, Kara Rud-
den (John), Darla, Sean (Megan), and Colin; step-daughter, Natalie Murphy (Keith); grandchildren, Lana, George, Alex, Ashley, and Caitlin; step-grandchildren, Steven, Montana, Kassidy, Delaney, Alannah, Taylor, and Johanna; and great grandchild Vasilios. He was predeceased by his sister, Mary Ann Darnell; survived by his sister, Edna Olsen (Gary); and nieces and nephews. Larry was deeply loved and will be missed by all whose lives he touched.

Larry will be remembered for his love of history, his keen interest in genealogical research, his passion for the New York Yankees, and for his calm and genteel manner. He was an avid reader and would often share historical facts and stories. Abraham Lincoln was one of his inspirations. And he loved the beach. In fact, one of his last comments was that he wanted to walk on the beach with his wife, Gerry. May he rest in peace on an eternal, idyllic beach.

Memorial services will be held in the fall in New Jersey and Arizona. Donations in Larry’s memory can be made to the National Association of the Deaf, the American Cancer Society, or Father Thomas Coughlin--Dominican Missionaries of the Deaf Apostolate.

User IDs (number codes) will be assigned to all completed surveys. If you can answer yes to all of the following questions, you are eligible to participate in this study!

Are you between the ages of 18 and 80?  
Are you deaf, hard of hearing, or hearing?  
Are you actively involved in FASLTA, ASLTA, RID, CIT, or its chapters?  
Are you or were you ever an elected officer or a chairperson of one of these organizations?

Looking for a way to generate new customers? Want to keep your products in front of your current clientele? Want to launch something new? Let ASLTA help you increase your sales.

Our quarterly newsletter is read by teachers of ASL from all around the nation in winter, spring, summer, and fall. Our readership consists of 300+ teachers who purchase your products and then pass your contact information on to their students who, in turn, also purchase your products. And, as we all know, word of mouth – or, in our case, sign of hand – advertising is the most effective!

Each issue of the ASLTA News consists of 12-20 pages that measure 8 ½” x 11” per page. The ASLTA News is mailed, first class, not bulk! This puts your company’s name and information right in front of your customers!

Send your camera-ready copy (tif, jpg, Word document, or Adobe .pdf) to Betti Bonni (ASLTA Treasurer) via email: BBonni2@aol.com. Send payments to Betti Bonni, ASLTA Treasurer, P.O. Box 20823, St. Petersburg, FL 33742.
